REPLY TO RESTRICTION REQUIREMENT

Honorable Commissioner for Patents
U.S. Patent and Trademark Office
Randolph Building, Mail Stop Amendment
401 Dulany Street
Alexandria, VA 22314

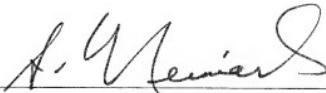

Sir:

Replying to the Restriction Requirement mailed March 31, 2010, which does not appear to be based on any lack of unity of invention, Applicants hereby respectfully and provisionally elect Group I, claims 1-9 and 17-20, without prejudice.

Applicants do not understand why restriction has been required at this late stage, well after non-elected claims 10-16 have already been examined. The Examiner's action would appear to be contrary to the second paragraph of MPEP 803.

Respectfully submitted,
BROWDY AND NEIMARK, P.L.L.C.
